

Associate Ambulatory Veterinarian

Position Available

Peterson Smith Equine Hospital + Complete Care is seeking to add a full-time ambulatory veterinarian to our team. We are a well-established practice located centrally in the "Horse Capital of the World," Ocala, Florida. Our practice is 100% equine based with a wide variety of clientele ranging from first-time horse owners to large thoroughbred operations. This allows optimal opportunities to advance and develop as an equine practitioner.

Our team consists of a 13-doctor ambulatory team along with a fully staffed Equine Hospital and Advanced Fertility Center. Mentorship opportunities are abundant within our practice given the wide variety of clinicians and specialists on board. These include board certified surgeons, podiatrist, internist, theriogenologist, criticalist, ophthalmologist, and dental specialist. We currently provide routine care, emergency, reproductive, sport medicine and dentistry services on an ambulatory basis. Our ambulatory team has an array of practitioners with varying interests and advanced training.

The ideal candidate possesses a strong work ethic, is team oriented, has a thirst for continued professional development, and is an overall dedicated individual excited to grow their equine practice. New graduates with internship training are encouraged to apply.

A comprehensive compensation and benefits package is offered.

To apply, email a letter of intent, and CV to Kalee George, Human Resource Manager, at kgeore@petersonsmith.com.
